

SENIOR ACADEMY

Who are we?

The Senior Academy Board of Directors presents stimulating and enjoyable programs that provide continued learning opportunities to residents in one- to three-hour presentations throughout the year. We have hundreds of members who appreciate these learning opportunities that are brought to their doorstep. There is no obligation, no minimal participation and no homework!

Why you should explore what we have to offer –

expand your horizons, exercise your brain, meet other Villagers. The presentations are entertaining, informative, and conducted by fully known experts in their field.
